Dr. A. Zachary Faison, Jr.
President and CEO
Edward Waters University

ALMA MATER

EWU Chorale

BENEDICTION

Reverend Bryant Wilcox

RECESSIONAL

SPEAKER

**DR. LYNSEY RECTOR,
2016 EWC ALUMNA**

Dr. Lynsey Rector was born and raised in the small town of Arcadia, Florida. She graduated Magna Cum Laude with Bachelor's in Biology from Edward Waters College. During her undergraduate career, she served as a tutor and in fall 2015, she became a member of Delta Sigma Theta Sorority, Inc. Playing softball is what brought her to Edward Waters College. She played four years of competitive softball, which resulted in a serious knee injury. It was this injury that led her to explore conservative/holistic care and her passion for chiropractic blossomed. After graduating from Edward Waters College, Dr. Rector began her expedition into chiropractic at Palmer College of Chiropractic, in Port Orange, Florida. It was there that she discovered her passion for providing chiropractic to communities that deserve it, with a particular passion for sports. While in Port Orange, she served as a mentor, coach, and tutor to fellow students as well as to people within the community. She currently serves as an off-campus advisor to the Student American Black Chiropractic Association students on this campus.

Dr. Rector joined The Chiro Place, in Memphis, to help build an application of chiropractic, fitness, and wellness principles into people of all ages, with a primary focus on the Black community. She is also currently an active member of the American Black Chiropractic Association, Florida Chiropractic Association, and Tennessee Chiropractic Association. Dr. Rector is currently pursuing her Master's in Sports Rehabilitation and Exercise Science, while also opening her own mobile chiropractic service. Dr. Rector is a giver at heart and understands that the greatest gift that she can give is the knowledge of health. She enjoys spreading this gift through participating in community health fairs, speaking engagements, mentoring, and providing health and wellness workshops throughout the community.

THE FOUR PILLARS OF THE NATIONAL HONOR SOCIETY

Leadership means the influence you have on people to do something extraordinary. A leader is someone that is not afraid to stand by their decision even if no one else is standing by them.

Service is to help another by performing an action or work for someone else, according to Merriam Webster's Collegiate Dictionary. Each member is to provide service to the surrounding communities in order to benefit those around them, a necessity in society today.

Character means to have the qualities of honesty, courage, integrity or similar traits. Honesty requires you to display fairness in all activities and situations even when it means losing or experiencing a negative outcome.

Scholarship is not about being the most skilled or intellectual person. It is about having an intellectual curiosity that drives one to enjoy learning new things, but to also have the persistence and integrity to apply oneself to understanding difficult concepts.

**EDWARD WATERS UNIVERSITY
ALMA MATER**

In the town of Jacksonville, stands our college dear.
Where our founding fathers planned for future years,
Strove to educate our youth, and inspire our lives.
Edward Waters hail to thee, may you never die.

Dear old Edward Waters, you're the world to me.
Dear old Edward Waters, you will always be.
A guide to lead me onward, everywhere I go.
I'm always thinking of you as I move about your halls.
I'll still be thinking of you as I leave your sacred walls.
Dear old Edward Waters, you're the world to me.

Special Thanks to the Honors College and the Honors Convocation Committee
